Donegal has a rich heritage of myths and legends which is uniquely captured in this collection of traditional tales from the county. Discover the trails where Balor of the Evil Eye once roamed, the footprint left by St Colmcille when he leapt to avoid a demon and the places where ordinary people once encountered devils, ghosts and fairies. In a vivid journey through Donegal's varied landscape, from its spectacular rugged coast line to the majestic mountains of Errigal and Muckish, and on to the rich farmland of the east, local storyteller Joe Brennan takes the reader to places where legend and landscape are inseparably linked.
