Playtime Stackers Donna Collinsworth

These adorable stacker toys are comprised of three rings and a doll base. The rings are three different sizes and made to look like a baby bottle, a barn and a cow, a baker with donuts, a race car driver with a car, a princess and a frog, and an alien with a space ship. All are made using worsted-weight yarn and are stuffed with fiberfill. The stackers are 11 inches tall when completed.

From reader reviews:

Jim Moffett:

This Playtime Stackers are reliable for you who want to certainly be a successful person, why. The main reason of this Playtime Stackers can be one of the great books you must have is giving you more than just simple looking at food but feed anyone with information that perhaps will shock your previous knowledge. This book is usually handy, you can bring it all over the place and whenever your conditions in the e-book and printed types. Beside that this Playtime Stackers giving you an enormous of experience such as rich vocabulary, giving you demo of critical thinking that could it useful in your day task. So , let's have it and enjoy reading.

John Ferguson:

Your reading 6th sense will not betray you actually, why because this Playtime Stackers e-book written by well-known writer who knows well how to make book which might be understand by anyone who have read the book. Written in good manner for you, leaking every ideas and writing skill only for eliminate your personal hunger then you still hesitation Playtime Stackers as good book not just by the cover but also by content. This is one book that can break don't judge book by its deal with, so do you still needing one more sixth sense to pick this specific!? Oh come on your reading through sixth sense already told you so why you have to listening to another sixth sense.

Lauren Cook:

Are you kind of active person, only have 10 or perhaps 15 minute in your morning to upgrading your mind proficiency or thinking skill perhaps analytical thinking? Then you have problem with the book than can satisfy your short period of time to read it because pretty much everything time you only find book that need more time to be study. Playtime Stackers can be your answer mainly because it can be read by you who have those short free time problems.

Joe Garner:

Reading a book to get new life style in this calendar year; every people loves to go through a book. When you go through a book you can get a lot of benefit. When you read books, you can improve your knowledge, simply because book has a lot of information into it. The information that you will get depend on what kinds of book that you have read. If you would like get information about your study, you can read education books, but if you want to entertain yourself you are able to a fiction books, this kind of us novel, comics, in addition to soon. The Playtime Stackers provide you with new experience in reading through a book.
