## Usagi Yojimbo Vol. 1 #34 Stan Sakai

Stan Sakai's original series starring the rabbit ronin is available online for the first time as part of Dark Horse's complete digital presentation of Usagi Yojimbo! Way back in issue #1, Usagi told Gen of his time serving lord Mifune and of the tragedy that led to his wandering life as a ronin. Now it's the rhino's turn to tell his tale, as a figure from his past reappears and mistakes him for his father. The tale of Gen's fall from noble family to hardscrabble bounty hunter begins in Gen's part one! I have been cartooning for over forty years and have followed the work of comic-book creators from all over the world. There is a handful of them that I always read with enjoyment, and Usagi Yojimbo is one of them. Sergio Aragonés
