Widely used by medical students studying for the USMLE Step 1, the Board Review Series (BRS) provides basic knowledge as it relates to clinical situations. BRS Genetics addresses a field that is increasingly taught in shorter courses. Chapters are written in an outline format and include pedagogical features such as bolded key words, tables, algorithms, and numerous illustrations, including a 16-page full-color insert. The book contains nearly 300 USMLE-style questions to help test students' memorization and mastery.

A companion Website includes a question bank as well as fully searchable text.
