HMS Ulysses

Alistair MacLean

HMS Ulysses Alistair MacLean

The novel that launched the astonishing career of one of the 20th century's greatest writers of action and suspense – an acclaimed classic of heroism and the sea in World War II. Now reissued in a new cover style.

The story of men who rose to heroism, and then to something greater, HMS Ulysses takes its place alongside *The Caine Mutiny* and *The Cruel Sea* as one of the classic novels of the navy at war.

It is the compelling story of Convoy FR77 to Murmansk – a voyage that pushes men to the limits of human endurance, crippled by enemy attack and the bitter cold of the Arctic.
