Saints' Lives in Middle English Collections (Teams Middle English Texts Series)

E Gordon Whatley

Saints' Lives in Middle English Collections (Teams Middle English Texts Series) E Gordon Whatley

This volume is conceived as a complement to another Middle English Texts series text, Sherry Reames' Middle English Legends of Women Saints. This selection is intended to be broadly representative of saints' lives in Middle English and of the classic types of hagiographic legend as these were presented to the lay public and less-literate clergy of late medieval England.
