Turning the Tables: Restaurants and the Rise of the American Middle Class, 1880-1920 Andrew P. Haley

In the nineteenth century, restaurants served French food to upper-class Americans with aristocratic pretensions, but by the twentieth century, even the best restaurants dished up ethnic and American foods to middle-class urbanites spending a night on the town. In *Turning the Tables*, Andrew Haley examines the transformation of American public dining at the start of the twentieth century and argues that the birth of the modern American restaurant helped establish the middle class as the arbiter of American culture.
