R and R Between a Rock and a Hard Place

Dylan Hunt and the Crew of the Andromeda Ascendant have been fighting the good fight to re-establish the Systems Commonwealth. They need some serious rest and relaxation. Fortunately, they arrive at Paradise Drift, an ideal spot for a quick vacation. In the drift, the crew can play at pirates, medieval knights, gladiators--almost anything imaginable--in the virtual gaming scenarios concocted for visitors' pleasure.

Since the drift wishes to join the New Systems Commonwealth, the crew is given carte blanche to enjoy all of the drift's facilities for free. This is a welcome gift for the weary crew, but it doesn't take long for complications to arise. First, Trance Gemini vanishes without a trace. Then their tech-wizard Seamus Harper visits a harem, only to be confronted by a woman from his past who has a knife and a score to settle. Even worse, Pilot Beka Valentine is relentlessly pursued by a bounty hunter who desperately wants to claim the price on her head. And Captain Dylan Hunt hasn't been worrying about his losing streak at a glamorous gambling parlor, until he discovers that gambling debts on the drift are anything *but* virtual. Little does Dylan know, he could end up paying for his debts with his head!

Meanwhile, back on the ship, warrior Tyr Anasazi and ship's AI Rommie are forced to defend the Andromeda Ascendant against aggression from an unlikely source. What follows is an exciting, suspenseful deep-space adventure that will surely satisfy viewers of the TV series and readers with a taste for space opera.
