I Left My Back Door Open: A Novel April Sinclair

A successful female DJ refuses to let a few romantic catastrophes keep her down in award-winning author April Sinclair's dazzlingly soulful novel that was hailed as "a *Bridget Jones's Diary* for black women" by the *New York Times Book Review*

Daphne "Dee Dee" Dupree has arrived at age 41 with a career she loves, but a romantic life she doesn't. Insecure about her weight and protective of her often-broken heart, Dee Dee is an expert at hiding her inward struggles from the thousands of Chicago residents who hear her on the radio every night. A successful, charismatic DJ for the local blues station, Dee Dee is still looking for the type of love she's missed since her divorce. After a traumatic event at work, Dee Dee meets Skylar, a union mediator who could be just what she's looking for—if only there weren't so many obstacles in their way.

Meanwhile, Dee Dee's coworker Jade is nearing her own divorce; her best friend, Sharon, has come out of the closet; and Sharon's teenage daughter is dangerously close to a breakdown. As Dee Dee works to ease the problems of her friends, she finally faces her own troubles—both old and new—in this uplifting, thought-provoking novel.
