Just one flash unit and a DSLR camera: that's all it takes to get beautifully lighted images. Revealing his proven shooting techniques, leading photographer John Denton shows how to achieve great effects--indoors and out--from minimal equipment. He explains how to modify a single flash to get specific results, and apply that equipment most effectively. Numerous diagrams and photos present detailed set-ups, and this richly illustrated guide also features tutorials, post-processing tips, and a look at various photographic genres, from weddings to lifestyle to nudes.
