How to be Happy: Not a Self-Help Book. Seriously. Iain S. Thomas

Central Avenue Publishing is proud to publish another book by the widely acclaimed poet Iain S. Thomas. As many have noted on various social media platforms, there have been some issues that have led to the delayed release of this book. For this, we apologise and hopefully the content of the book will clarify the circumstances surrounding this delay. We feel we should also point out that this is not technically a self-help book, but it does contain some poignant prose, poetry and stories which may or may not lead you to happiness. Mostly, it is the rather unfortunate chronicle of a man's attempt to write the book he's promised his publisher, no matter the cost to his sanity.
