The Circle of Fire: In the Midst of the Ashes an Ember of Hope Flickered (Morgan James Faith)

Justina Page

In the early hours of March 7, 1999, Justina Page's life changed forever when a four-alarm house fire ravaged and destroyed her family's home. In the aftermath, facing the heartbreaking loss of one of their toddler twin boys, Justina and her husband had to cope with the physical injuries left behind on both her and their surviving son. The Circle of Fire chronicles the author's journey through overcoming the devastating consequences of this catastrophic event. Justina's is a journey of discovering that personal tragedy is not a life sentence to despair, anger, and continual pain and suffering. Instead, it can bring awareness of how something positive can be salvaged from every agonizing experience, even when your faith has truly been tried by fire.
