**Jung and Searles** David Sedgwick

*Jung and Searles* is the first in-depth integration of the psychotherapeutic models of C.G. Jung and Harold F. Searles.

Combining Jung's theoretical depths with Searles' liberating approach to the analytic process, David Sedgwick bridges the rift between analytical psychology and psychoanalysis and achieves a new vision of psychotherapy.

Discussing personality theory, countertransference and the role and personality of the analyst, *Jung and Searles* will appeal to everyone interested in new paths in depth psychology. Clinicians of all persuasions will find it a thoughtful, humane approach to psychotherapy.
