## **Shades: The Gehenna Dilemma (Shades Series) (Volume 1)** Eric Dallaire

In 2039, when people die owing money, the government turns them into mindless servants. Shades. These undead workers toil until their debts are settled. Without complaint, they pave roads, till fields, and build moon settlements for the wealthy. Jonah Adams struggles to balance his life in this grim world. To prevent his dying mother from becoming a shade, he joins the IRS as a ghoul, an agent that collects recently deceased debtors. The pay is good, but the cost is high. His girlfriend, Vanessa, a bankruptcy lawyer protecting the rights of the poor, despises his line of work. To set things right, he just needs to complete a few more missions. With luck, he can settle all scores and maybe have enough to buy two tickets to the lunar colony. However, nothing comes easy for Jonah, especially when others come to reap what he has sown.
