## Collins Glasgow Colour Street Map

This street plan of Glasgow includes large scale (six inches to one mile) central area mapping. The key to the symbols is in English, French and German. The map shows one-way streets, pedestrian areas, car parks, stations, important buildings and places of interest. The area covered stretches from Renfrew in the west to Motherwell in the east, and from Bearsden in the north to Eastwood in the south. Aimed at all visitors, tourists, business people and residents who travel around the city, this map also includes a host of additional information on hotels and museums. The main map is at the three inches to one mile scale, includes an index of street names and clearly marks both streets and car parks.
