Copper Lake Secrets (The Kelley Legacy) Marilyn Pappano

"What happened that summer?"

The ill-fated vacation Reece Howard spent at her grandparents' Georgia home long ago changed her in ways her mind still refuses to remember. She forgot about the man she once knew as "Jones," but she can't ignore the flashes of desire she now feels toward him. With her family estranged, she doesn't have a good reason to return to Fair Winds. *Until now.*

Jones is looking for answers...answers he can find only at the plantation he left behind years before. By surprise, he discovers Reece there—all grown up and beautiful—never imagining he might be able to help chase away her demons. And neither of them expects an attraction as combustible as the secrets surrounding them.

But falling in love might be the most dangerous thing they can do....
