*Best Gay Erotica 2015* is filled to the pause-resisting brim with fantastic tales of fire dancers and TV repairmen, of hunky painters and electricians and magicians, solo sex, duo sex, and sweat-soaked triple onslaughts. Heck, throw in an alien and a priest, and you'll soon see why this anthology is head and shoulders - not to mention certain other body parts - above the rest, and always with the highest literary quality that listeners have come to expect from this esteemed and steamy collection.
