How is Brent Runyan supposed to reach his troubled nephew? The workaholic businessman knows nothing about providing a real home to the orphaned boy who needs him so much. Special education teacher Molly Manning thinks the answer is threefold: love, time—and a dog. But Brent can barely let his nephew into his heart, let alone a golden retriever. With his tragic past, Brent knows what can happen when you love anything: you can lose it. Until Molly asks this dad-in-training to start with the basics by letting her stay...forever.
