Spanning a century and three continents, *Even in Darkness* tells the story of Kläre Kohler, whose early years as a beloved daughter of a prosperous German-Jewish family hardly anticipate the harrowing life she faces as an adult- a saga of family, lovers, two world wars, a concentration camp, and sacrifice. Based on a true story, *Even in Darkness* highlights Kläre's reinvention as she faces the destruction of life as she knew it, and traces her path to survival, wisdom, and unexpected love.
