1912 Facts about the Titanic Lee W. Meredith

Fascinating, lesser-known facts about the Titanic and details on the ship, the passengers, and the sinking. The book also explores aspects of the wreck today and salvage operations.

Although the main events of the Titanic disaster are well known, significant facts and tidbits remain obscure. Who were the thousands of men who built the giant ship? How were the bodies of the victims collected and buried? What were the conclusions of the investigative hearings into her sinking? Answers to these and hundreds of other questions are presented in this useful, easy-to-read volume.

Lee W. Meredith is the author of several Civil War reference books and a longtime Titanic buff. He lives in northern California.
