An Act of God: Previously Published as The Last Testament: A Memoir by God David Javerbaum

****An Act of God* (previously published as *The Last Testament: A Memoir*) is now a major Broadway show starring Jim Parsons (*The Big Bang Theory*) and directed by Joe Mantello (*Wicked*)***

Over the course of his long and distinguished career, God has literally seen it all. And not just seen. In fact, the multitalented deity has played a pivotal role in many major events, including the Creation of the universe, the entirety of world history, and the successful transitioning of *American Idol* into the post-Simon Cowell era. Sometimes preachy, sometimes holier-than-thou, but always lively, *An Act of God* is the ultimate celebrity autobiography.
