Como una red: Sermones de Vicent Ferrer (Spanish Edition) Josep-A. Ysern i Lagarda

Es un hecho que el dominico Vicent Ferrer (1350-1419) supo atraer, gracias a la calidad y calidez de sus sermones, a un público tan multitudinario como variopinto que, a su vez, empezó a fraguar una visión casi legendaria de este orador, que percibía siempre próximo, cercano. Este volumen recoge una panorámica de su predicación, ilustrada con una selección de diez sermones -representativos del conjunto de su predicación- en versión castellana. El estudio introductorio ofrece, por una parte, datos históricos y culturales que permiten enmarcar adecuadamente la actividad pastoral y política de este eminente y popular predicador dominico; por otra parte, ahonda en los aspectos estilísticos y retóricos que permitieron que sus sermones se convirtieran en piezas oratorias de incuestionable éxito.
