France at Bay 1870-1871: The Struggle for Paris Douglas Fermer

The Franco-Prussian War did not end with the catastrophic French defeat at Sedan on 1 September 1870 when an entire French army surrendered, the Emperor Napoleon III was captured and his regime collapsed. The war went on for another five agonizing months, and resolved itself into a contest for Paris - for while Paris held out, France was undefeated. The story of this dramatic final phase of the war is the subject of Douglas Fermer's masterly account, the sequel to his Sedan 1870. He weaves this story of military victory and defeat into a gripping narrative and it sets the extraordinary events of nearly 150 years ago in the wider context of European history.
