Entre dos dimensiones (Spanish Edition)

Maria del Carmen belmonte Núñez

Entre dos dimensiones (Spanish Edition) Maria del Carmen belmonte Núñez

"Es un manuscrito muy arriesgado por el contenido del tema, que la autora, siempre en primera persona, va narrando con la mayor franqueza, naturalidad y sencillez que la caracteriza, y aseverando la autenticidad de cada uno de los hechos que describe, sin ningún alarde ni pretensión literaria.

Su contenido es de fácil lectura que engancha desde el primer momento; conforme te vas adentrando en las increíbles y variopintas experiencias y situaciones que le han venido sucediendo a lo largo de la dualidad de su existencia. Es una novel y valiente escritora, que no duda en abrir su alma para exponer su verdad, dejando a un lado sus miedos, para cumplir con la misión que se le ha encomendado, pensando siempre y ante todo en favorecer al ser humano.

Es todo un descubrimiento que podría herir la sensibilidad de los más conservadores, porque choca profundamente con la tradición de un Jesús que murió en la cruz para salvar al mundo."
