International Thriller Writers Award-winner and best-selling author Brian Freeman has established himself as a master of psychological thrillers. In *Season of Fear*, Freeman returns to the sun-drenched beaches of Naples, Florida, and the idiosyncratic world of Detective Cab Bolton.

Attractive and popular politician Diane Fairmont is running for the Florida governorship, but a chill is cast over the campaign when she receives an anonymous note announcing the return of the assassin who killed her husband 10 years earlier. Because of complicated ties between Fairmont and his mother, movie actress Tarla Bolton, Detective Bolton is assigned to the case.

As Bolton struggles to penetrate the veil of secrecy surrounding the Fairmont campaign, he begins to realize that the death threat is not the only danger faced by the campaign staff. A desperate race against the clock ensues as Bolton tries to unlock the secrets of a poisonous conspiracy before nature provides the perfect cover for a long-dormant killer to strike again.
