## Canada's Best Features: Critical Essays on 15 Canadian Films (Cross/Cultures)

Long recognized for outstanding National Film Board documentaries and innovative animated movies, Canada has recently emerged from the considerable shadow of the Hollywood elephant with a series of feature films that have captured the attention of audiences around the world. This is the first anthology to focus on Canada's feature films - those acknowledged as its very best. With essays by senior academics and leading scholars from across the country as well as some fresh new voices, *Canada's Best Features* offers penetrating analyses of fifteen award-winning films. Internationally acclaimed directors David Cronenberg, Atom Egoyan, Denys Arcand, and Claude Jutra are represented here. Noteworthy films include *Mon oncle Antoine*, often cited as Canada's number one film of all time, such Cannes Festival favourites as *Le déclin de l'empire américain* and *Exotica*, and cult films *Careful* by Guy Maddin and *Masala* by Srinivas Krishna. The essays offer the latest word on these films and filmmakers, done from a variety of perspectives. Some of the films have never been examined in-depth before. Complete filmographies and bibliographies accompany each essay. A contextualizing introduction by Professor Gene Walz provides the necessary overview. An annotated bibliography of books on the Canadian film industry completes this impressive package.
