Cradled All the While: The Unexpected Gifts of a Mother's Death Sara J. Corse

Cradled All the While is a beautifully crafted memoir in which the author recounts the story of her mother's death from cancer. In the midst of career and child-rearing, Corse becomes her mother's primary caregiver, but her story is a spiritual journey that will nurture the faith of people of many religious backgrounds. The themes encountered throughout the book parallel the issues dealt with in practical grieving resources; here, however, they are played out in the lives of a real family.
