Mavericks: Canadian Rebels, Renegades and Anti-Heroes

Peter C. Newman

Mavericks: Canadian Rebels, Renegades and Anti-Heroes Peter C. Newman

Peter C. Newman's poison pen has lodged itself in the viscera of the Canadian elite. In *Mavericks*, he has selected his most evocative writing about those Canadians who run against the grain on the grandest scale, including Conrad Black, Garth Drabinsky, the Eaton boys, Louis Riel, Robert Campeau and Peter Nygard. In the world of politics, he takes on Brian Mulroney, Kim Campbell, René Lévesque, Bill Vander Zalm and Lucien Bouchard. He also includes a vignette about John Diefenbaker from his book *Renegade in Power*, which Robert Fulford at *Saturday Night* said "transformed political books and to some extent political writing in this country."

Mavericks, together with its companion volume, *Heroes*, makes up the ultimate Newman, capturing his best and most provocative words during a career that spans more than fifty years.
