The European Union: An Introduction (Library of European Studies)

Mark Corner

The European Union: An Introduction (Library of European Studies) Mark Corner

The EU is one of the most notoriously complex international organisations. It is the only supranational organisation where nation-states agree to share sovereignty in some areas but not in others. At the heart of the EU debate across Europe are two opposing groups: one aims to devolve more sovereignty to the EU, with the aim of creating a European 'super-state' and the other wishes to devolve less, effectively relegating the EU to a mere discussion forum. In this accessible and engaging book, Mark Corner provides an essential introduction to the history and modern workings of the EU. Focusing on key themes in the union's development and the debates surrounding future enlargement, this book answers the key questions related to the EU and provides a 'one-stop shop' for anyone curious about future of Europe.

From reader reviews:

Marcos Gorman:

Information is provisions for people to get better life, information nowadays can get by anyone on everywhere. The information can be a information or any news even a huge concern. What people must be consider when those information which is inside the former life are hard to be find than now's taking seriously which one would work to believe or which one the actual resource are convinced. If you obtain the unstable resource then you buy it as your main information you will have huge disadvantage for you. All of those possibilities will not happen within you if you take The European Union: An Introduction (Library of European Studies) as the daily resource information.

David Hoag:

A lot of people always spent their own free time to vacation as well as go to the outside with them family members or their friend. Do you know? Many a lot of people spent that they free time just watching TV, or even playing video games all day long. If you wish to try to find a new activity that's look different you can read the book. It is really fun in your case. If you enjoy the book which you read you can spent the entire day to reading a reserve.
