Francesco Tassone

Il codice della natura (Italian Edition) Francesco Tassone

Con questa nuovissima pubblicazione si vuole aprire un varco preciso e inequivocabile tra la dimensione energetica dell'essere umano e quella di tutto ciò con cui entra in contatto consapevole. Questo è un libro che mira a fare nuova luce sulle cose che già si sanno. Esso nasce e si sviluppa con lo scopo di fare chiarezza. Un po' di luce tra le immense potenzialità dell'essere umano e le enormi prospettive esistenziali che si spalancano, su colui che comprende, come far funzionare i meccanismi energetici, a suo favore. Senza filtri e senza alcun desiderio di manipolazione, il Codice della Natura, muove i suoi passi in un habitat di aria rarefatta, ma nello stesso tempo, facilmente respirabile. Aria rarefatta, perché ancora poche opere, parlano così apertamente al lettore, circa le opportunità evolutive che si rendono a lui disponibili.

Facilmente respirabile, perché comunque la dottrina offerta è semplice, adatta a chiunque abbia a cuore la possibilità di vivere una vita ricca di armonia e significato.
