## **The Bell-Boy (Faber Finds)** James Hamilton-Paterson

*The Bell-Boy* was James Hamilton-Paterson's third novel, first published in 1990.

'Somewhere on my tropical travels I encountered a rickety hotel on whose roof an ancient servant lived in a converted hen coop. This gave me the idea for a young bell-boy, Laki, who is up from the provinces and lives on top of his hotel in the holy city of Malomba. He moonlights as a shrewd guide for foreign visitors, his latest clients being a hippie English family who are in Malomba for psychic surgery. Their mutual exploitation leads to both farce and minor tragedy.' James Hamilton-Paterson

'A brilliant religious satire with elements of E.F. Benson and Evelyn Waugh... Few books since E.M. Forster's *A Passage to India* (whose formal perfection this novel shares) have conveyed more intensely the allure (and the revulsion) the East holds for Westerners.' *New York Times*
