Ume and Ototo: A New Way Mr. Jon Ido Warden, Mrs. Mary Jane Warden

In writing of this children's book, we sought to convey some profound elements of living in simple form. Loss, changes, doubts, faith and hope were parts of our own story as told through our dogs, Ume and Ototo. The dogs' life journey, in particular Ume's, reflects many of our family's emotions in dealing with Jon's illness during the first two years during and after diagnosis. In writing this story down on paper, it gave us the chance to solidify our experience and come to a greater understanding of life, of faith and of ourselves. Our hope is that the story touches some part of you – the part that knows about hard changes.
