## **60 Ways to Lower Your Blood Sugar** Dennis Pollock

It's projected that in 50 years, one American in three will be diabetic. Many today are well on their way to becoming a sad statistic in the war on obesity, high blood sugar, and the related diseases—including diabetes—that can result from a diet that's seriously out of whack. In his previous bestselling book, *Overcoming Runaway Blood Sugar*, Dennis Pollock shared his personal experience with this deadly epidemic—including his success at lowering his runaway blood sugar to acceptable levels. Now Dennis offers readers the next step in the battle: 60 practical ways to manage their blood sugar without resorting to a bland unsatisfying diet of turnips and tuna fish. In this step by step, change by change plan, readers will learn how to: reduce their intake of carbs, exercise more effectively, and shed excess weight. A must-have book for readers serious about regaining their health while also lowering their weight and increasing their energy.
