Ancient Medicine (Sciences of Antiquity Series)

Vivian Nutton

Ancient Medicine (Sciences of Antiquity Series) Vivian Nutton

The first edition of *Ancient Medicine* was the most complete examination of the medicine of the ancient world for a hundred years. The new edition includes the key discoveries made since the first edition, especially from important texts discovered in recent finds of papyri and manuscripts, making it the most comprehensive and up-to-date survey available.

Vivian Nutton pays particular attention to the life and work of doctors in communities, links between medicine and magic, and examines the different approaches to medicine across the ancient world. The new edition includes more on Rufus and Galen as well as augmented information on Babylonia, Hellenistic medicine and Late Antiquity.

With recently discovered texts made accessible for the first time, and providing new evidence, this broad exploration challenges currently held perspectives, and proves an invaluable resource for students of both classics and the history of medicine.

From reader reviews:

Donna Gray:

Nowadays reading books become more than want or need but also work as a life style. This reading addiction give you lot of advantages. The benefits you got of course the knowledge the particular information inside the book this improve your knowledge and information. The info you get based on what kind of book you read, if you want drive more knowledge just go with education and learning books but if you want sense happy read one with theme for entertaining for example comic or novel. Often the Ancient Medicine (Sciences of Antiquity Series) is kind of guide which is giving the reader erratic experience.

Paula Salas:

Information is provisions for people to get better life, information nowadays can get by anyone at everywhere. The information can be a knowledge or any news even restricted. What people must be consider any time those information which is from the former life are difficult to be find than now could be taking seriously which one would work to believe or which one the particular resource are convinced. If you get the unstable resource then you have it as your main information there will be huge disadvantage for you. All of those possibilities will not happen in you if you take Ancient Medicine (Sciences of Antiquity Series) as your daily resource information.

Evelyn Wiley:

Spent a free the perfect time to be fun activity to complete! A lot of people spent their down time with their family, or all their friends. Usually they carrying out activity like watching television, going to beach, or picnic inside park. They actually doing same every week. Do you feel it? Do you need to something different to fill your personal free time/ holiday? Can be reading a book can be option to fill your cost-free time/ holiday.
