**New Face in the Mirror: A Novel** Yaël Dayan

**Inspired by the author's own experience, a novel of one female soldier's fight to maintain her independence while serving in the Israeli army**

Ariel Ron is the spoiled yet fiercely proud daughter of a renowned Israeli colonel, entering the army for her two-year period of compulsory military service. Rebellious and self-centered, she is determined to keep her independence within this highly structured system. Ariel expects that being the colonel's daughter will win her favors in the army—but she is sorely mistaken. As she comes to terms with this reality, she embarks on a journey that forces her to look inward and reflect on her own values and connection to her homeland.

Based on Yaël Dayan's own experience in the Israeli army and partly written when she was not yet twenty, this searing and honest first novel is a rare look at a young woman struggling to find her true self in a strange and uncomfortable environment.
