**The Weirdstone of Brisingamen** Alan Garner

The much-loved classic, finally in ebook.

First published over 50 years ago, *The Weirdstone of Brisingamen* is one of the greatest fantasy novels of all time.

When Colin and Susan are pursued by eerie creatures across Alderley Edge, they are saved by the Wizard. He takes them into the caves of Fundinelve, where he watches over the enchanted sleep of one hundred and forty knights.

But the heart of the magic that binds them – Firefrost, also known as the *Weirdstone of Brisingamen* – has been lost. The Wizard has been searching for the stone for more than 100 years, but the forces of evil are closing in, determined to possess and destroy its special power.

Colin and Susan realise at last that they are the key to the *Weirdstone*'s return. But how can two children defeat the Morrigan and her deadly brood?

Book one in the *Weirdstone* trilogy, followed by *THE MOON OF GOMRATH*.
