Burgundy-red water, alligators and egrets - all these and more are visions of canoeing adventures described in the first volume of A Canoeing and Kayaking Guide to the Streams of Florida. Almost 1,000 miles of waterways are described, covering over thirty rivers and streams. Each river and stream section includes photographs and maps, access points, difficulty ratings and scenery descriptions of the native animals and plants that the paddler can expect to see. Suitable and scenic campsites along the streambed are noted. This guide is the only book you'll need to appreciate the beautiful and often wild scenery that will unfold before your eyes. The adventurous, the curious, the naturalist, the family boater and the casual tourist will find all the information needed to have a successful and enjoyable trip.
