**Fury: Star Wars Legends (Legacy of the Force) (Star Wars: Legacy of the Force Book 7)** Aaron Allston  
Fighting alongside the Corellian rebels, Han and Leia are locked in a war against their son Jacen, who grows more powerful and more dangerous with each passing day. Nothing can stop Jacen's determination to bring peace with a glorious Galactic Alliance victory—whatever the price.

While Luke grieves the loss of his beloved wife and deals with his guilt over killing the wrong person in retaliation, Jaina, Jag, and Zekk hunt for the real assassin, unaware that the culprit commands Sith powers that can cloud their minds and misdirect their attacks—and even turn them back on themselves.

As Luke and Ben Skywalker struggle to find their place among the chaos, Jacen, shunned by friends and family, launches an invasion to rescue the only person still loyal to him. But with the battle raging on, and the galaxy growing more turbulent and riotous, there's no question that it is Jacen who is most wanted: dead or alive.

Features a bonus section following the novel that includes a primer on the *Star Wars* expanded universe, and over half a dozen excerpts from some of the most popular *Star Wars* books of the last thirty years!
