Snow White

Donald Barthelme

Snow White Donald Barthelme

An inventive, satiric modern retelling of the classic fairy tale provides an incisive and biting commentary on the absurdities and complexities of modern life.

In *Snow White*, Donald Barthelme subjects the traditional fairy tale to postmodern aesthetics. In the novel, the seven dwarves are men who live communally with Snow White and earn a living by washing buildings and making Chinese baby food. Snow White quotes Mao and the dwarves grapple with low self-esteem in this raucous retelling of the classic tale.
